## Section I: Intent

The intent of this policy is to establish clear expectations for eligibility, access, and administration of employee benefits by classification. This policy will ensure consistent, non-discriminatory application of benefits across MVCS staff and will provide eligible employees with information and resources to enroll in, modify, or terminate benefits as their employment status changes.

## Section II: Policy

MVCS is committed to providing a comprehensive, compliant, and financially sustainable employee benefits program that aligns with employee classifications. The program is designed to attract, retain, and support a diverse workforce, ensure fair and consistent treatment of all staff, and comply with applicable federal, state, and local laws. Benefits are administered in accordance with plan documents, the MVCS Benefits Summary, and the MVCS Employee Handbook, and may be updated annually to reflect changes in law, market conditions, and organizational needs.

This policy applies to all MVCS employees and defined classifications (e.g., Regular Full-Time, Regular Part-Time, Temporary/ Casual and/or Per Diem Employees).

This policy does not apply to independent contractors unless required by law or stated in the applicable contract; does apply to benefits required by law (e.g., certain leave protections) for eligible employees.

### Definitions

#### **Benefit Eligible Regular Full-Time Employees**

A Benefit Eligible regular full-time employee is an employee who has completed his or her introductory period and is regularly scheduled to work 40 hours per week. For the purpose of eligibility for health insurance ONLY, the Affordable Care Act defines a **full-time employee** as one who is employed at least 30 hours per week.

### ***Benefit Eligible Regular Part-Time Employees***

Any employee who works between 20 and 39 hours per week with a regular schedule

### ***Regular Part-Time Employees***

Any employee who works 19 hours or less per week with a regular schedule..

### ***Temporary, Casual and/or Per Diem Employees***

Temporary employees are hired for a specific period or specific work project, not to exceed 3 months in duration. MVCS reserves the right to extend the duration of temporary employment where necessary.

Casual employees are hired to work as needed with no set schedule, e.g., substitute teachers and per diem employees called in from time to time.

## **Section III: Benefit Descriptions and Procedures**

### ***Insurance***

The Agency benefits package includes group medical, dental, vision and life insurance, the option to participate in a Retirement Plan (403 (b)), access to a Section 125 Flexible Benefits Plan, and employee paid leave. The benefit descriptions set forth in this policy are general in nature. For specific questions related to the current benefit plans maintained by the Agency, refer to the actual plan documents and summary plan descriptions. Those documents are controlling. These benefits may be canceled or changed at the discretion of MVCS, unless otherwise required by law.

### ***A Health***

Health Insurance, under a group plan, is made available by MVCS to all eligible employees (those regularly scheduled to work 30 hours or more per week) and their dependents, including domestic partners. A domestic partner is a single adult, not related by blood closer than would bar marriage in the residing state, with whom an individual maintains a long-term relationship characterized by an emotional and financial commitment and interdependence. Each partner must be the sole domestic partner of the other partner. (change this section to definition of health insurance)

Once an employee has made their enrollment decision, they may not change their elections until the next open enrollment period unless there is a qualifying event such as loss of coverage, marriage, divorce, or birth.

Guidelines for eligibility in the group health insurance plan follow:

1. All Benefit Eligible full-time employees, are eligible for coverage under our comprehensive medical, dental, and vision insurance programs. Medical plan benefits for eligible employees and their dependents are described in detail in the Summary Plan Description (SPD) that is available to all eligible employees.
2. Agency paid health insurance benefits will become effective the first day of the month following date of hire. **The Agency historically contributes two-thirds (2/3) of the cost of this coverage for all eligible employees. Annually, the organization will do a comprehensive review of our group health insurance plan. Based on this review, the agency contributions may be subject to change.**
3. Eligible employees may select all insurance plans (medical, dental, and vision) or choose one or more insurance plans. For example, an employee may choose to select only the medical and dental plans.
4. Employees who request coverage for a domestic partner must complete any affidavits required by the group health insurance provider.
5. To the extent required by Federal law (COBRA), the Agency will offer employees and their families the opportunity for a temporary extension of their group health insurance coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end due to certain qualifying events (e.g., reduction of hours or termination). Employees have sixty (60) days to choose continuation of coverage. Please contact Human Resources for more information.

Health benefits during Family and Medical Leave Act (FMLA), PFML and furlough leaves are maintained by MVCS on the same terms as if the employee continued to work. In such circumstances, arrangements must be made by eligible employees to pay their share of the health insurance premium on a monthly basis to maintain insurance coverage. Generally, the Agency's obligation to maintain health benefits stops when:

- An employee informs MVCS of an intent not to return to work at the end of the leave period or furlough or
- An employee fails to return to work at the end of the furlough or when the FMLA entitlement is exhausted; or
- An employee's premium contribution is past due.

The Agency will be entitled to recover premiums paid to maintain health insurance coverage for an employee who fails to return to work from leave. Plan eligibility does not necessarily mean coverage for all medical treatments or procedures. In addition, under changed circumstances the employee may be responsible for contributing to the cost of increased premiums. This benefit, as well as other benefits, may be canceled or changed at the discretion of MVCS, unless otherwise required by law.

If the employee or a dependent become ineligible for benefits due to a change in work hours or through a life event, or ends employment with MVCS, the employee may have the right to continue medical benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA). MVCS will mail the impacted employee information about their COBRA rights.
