

MVCS Staff Professional Development Series

# Supervisory Communication Skills

OPEN TO ALL INTERESTED STAFF

## About the Instructor: Cynthia Mullins

Cynthia Mullins is an experienced business law and certified human resources professional as well as a management professor. She is CEO & Founder of Baldwin Rise, a firm dedicated to empowering clients through legal and human resources consulting; ethics, compliance and risk mitigation; facilitation and mediation services; and academic mentoring and coaching. She leads human resources and compliance workshops and webinars to national audiences. Cynthia currently serves as legal counsel and chief human resources officer for an international transformation management consultancy. She is also an adjunct faculty member in higher education teaching business management, negotiation, business law, and continuing education-workforce development courses.

Cynthia holds a Doctor of Law degree from UConn School of Law; a Master's in business ethics and compliance from Cambridge College. She's completed an internal coach intensive program at Columbia University's Teachers College; earned a certificate in human resources management from Duke University; and earned a certificate in negotiation mastery from Harvard Business School Online.

She's been a community leader for many years, serving on various government and non-profit boards on Martha's Vineyard and Fairfield County Connecticut. She has homes in Ridgefield, CT and Vineyard Haven, MA.
